Another difficult year, but with your help we carried on!

After a year of lockdowns, cancellations and postponements, we are so pleased that not only have we still been able to raise a huge amount of money, but we have also been able to put that money to good use and continue supporting the children during a really difficult time. We were able to provide mindfulness journals to those that wanted them, and we gave children the opportunity to still see each other over Zoom at our weekly Funday Mondays and in a pancake flip video made especially for when everyone had to stay at home. We also funded extra enrichment days to help make up for the cancellation of school trips and ensured each class could celebrate Christmas together with a fantastic party at the end of the Autumn term.

Next year our biggest event will hopefully be Happy's Circus on Saturday 18th June 2022 – we have had this date booked for nearly two years, so will be very excited for it to finally arrive! If you have any ideas or would like to join the Friends team, please email me at friendsofbww@gmail.com. Don't forget to join Friends of BWW on Facebook too, so you can keep up to date with our latest news. We wish everybody an enjoyable summer holidays and send good luck wishes to all the Year 6s moving on from BWW. Thank you for all your support over this last year! Teri & FoBWW
