Thank You

Thank you so much to all the children, parents, staff and everyone else that has supported us during this last year – we didn't quite break the £10,000 profit barrier this time but we have still raised a brilliant amount of money that we've been able to spend on some great items for the children at the school! With school budgets still tight, many of these things would not be available to our children if it weren't for **your** support and the Friends of BWW team.

We would like to say an extra special thank you to Gemma and the tuck shop team, and Anna and the preloved uniform team, who have volunteered **so much time** to running these parts of the Friends' fundraising group.

We wish you all an enjoyable summer holidays and send extra special good luck wishes to all the Year 6s moving on from BWW, as well as another big thank you to their parents who have helped us so much over the past few years, but will be moving on too.

ENJOY THE SUMMER
